Mukul Kulkarni
Director of Human Resources
Infosys Technologies
Mumbai, Maharashtra.

Dear Mr. Kulkarni,

Recently, I learned of Infosys Technologies' opening for a new Machine Learning Engineer and I am responding with hopes of being considered for this role. With a strong knowledge of your organization's mission and values, I am confident that my background and commitment will serve well in supporting company progress.

I strive to maintain accuracy and consistency in task completion, individual performance and team goal-achievement, using acute attention to detail. Additionally, I offer communication, problem-solving and scheduling flexibility. My goal is to apply troubleshooting bugs and algorithm implementation to support increased efficiency.

Please review my attached resume which provides additional details of my education and employment experience. I believe my leadership and designing software applications abilities will provide an invaluable asset to your team. I would welcome the opportunity for an interview to further discuss the position and the ways in which I can positively impact Infosys Technologies' growth.

Thank you for your time and consideration.

Sincerely,
Hrutika Badgeri
